Dedication

The contribution of a single individual is often overlooked in the total picture of the life of a high school, and our school is no exception. For this reason we have chosen to honor this individual.

To know him is to be his friend; to see him is to see a warm smile when a person most needs it; and we here at Jim Ned High School have been inspired by his youthful spirit and zeal.

Because this man gives of himself to high school and community life and demands no praise in return, the staff dedicates the 1965 edition of THE WARRIOR to *Mr. Leonard Sharp.*

Editors' Note

As you approach the end of another school year, which is for some the last, a desire to look back to what has just passed arises. You need to look back and see accomplishments as well as pleasures and we, as editors, have tried to provide a lasting stimulant to your memory in this edition of THE WARRIOR.

Expressing our gratitude to all those that helped make this annual a reality has been a great task and no doubt we have missed many, but to all those who so kindly helped us and spent so much effort for us may we again say thanks.

Superintendent's Message

Dear Students:

With this year we began a new page in the history of Jim Ned School. With our new high school plant we can see that there will be a bright future for the school. I hope that it will also be the beginning of big and brighter things for each of you.

I am thankful for the annual staff and their sponsor, Mrs. Holliday, for the hard work and the time taken in recording all the events of our school year. May all the memories of this year be good ones.

Sincerely,

Arnett S. Weeks, Jr.

Principals' Messages

Dear Students:

As we again approach this time of year we look back to survey what we have accomplished. It is my sincere hope that all of you are satisfied with your own accomplishments. If, however, you are not, examine your efforts to see if they are the best you have to offer. If they are not, challenge yourself to bigger and better things this next year.

To those of you who leave high school this year let me say, "Life holds much in store for you, good and bad. Be prepared to accept either with strength and determination because it is you who will soon be the leaders of our great land.

Sincerely,

William N. Boyd

Students:

Another year has passed by and another opportunity has passed by for many students. Do you realize that as every day passes many opportunities also pass? Now is the time to gain all the information you can from your school work. If you do not take advantage of the opportunities now, you may never have them again.

We want to congratulate the seniors on the fine job they have done this year. Keep up your good work. Remember the best books haven't been written and the best race hasn't been run.

Sincerely,

A GIRL'S CREED

I believe that there is as much art in making a house into a glistening comfortable home as there is in painting a picture or in writing a poem. I believe that one who has the intelligence to keep her own house in order is wise enough to be a force in any community.

SUCCESS THROUGH COOPERATION

In search of gold, the Forty-niners crossed the continent in covered wagons. A few found wealth, but all found danger, hardship, and adventure.

One unwritten law of the long trail was that all who passed that way were to be helpful to each other. The spirit of cooperation played an important part in the early development of our country and we still have need of it today.

Men still strive toward wealth and independence, but more reach their goals by wise money management than by any other way. A bank account with this dependable and conservative bank may be, and often is, helpful to the banking public of this area.

Be not deceived; God is not mocked: For whatsoever a man soweth, that shall he also reap. Galatians 6:7

....a man's life consisteth not in the abundance of the things he possesseth. Luke 12:15

For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Mark 8:36
